

## National Day of Prayer about abortion 27th October 2011

The first page is an A4 poster, designed to encourage people to organise a Day of Prayer.

The second page is an A4 poster with a blank middle section to advertise the venue and time of an organised prayer event.

The third page contains four smaller parts which may be used as an invitation to the event. The blank middle section allows the venue and time of an organised prayer event to be shown.
